**ELECTRICAL DISTRIBUTOR NAMED IN THE TOP 50 BY THE ATLANTA
BUSINESS CHRONICLE AS A PACESETTER FOR 2007**

ATLANTA, GA – GC Electrical Solutions, LLC (GC-ES) ranked number 42 in the Atlanta Business Chronicle’s Pacesetters List for 2007. GC-ES was recognized at a luncheon hosted by the local business news outlet along with other companies in April 2007.

The Atlanta Business Chronicle recognizes the city’s fastest growing private companies; headquartered in the metro Atlanta every year. These companies report annual revenues between \$1 million to \$300 million and register a two-year growth in sales of more than 50 percent.

“We are extremely excited about this accomplishment and recognition. Our aggressive networking efforts are really paying off locally. We hope that we will continue to service our customers with the products that successfully complete their project goals and look to expand our footprint in this market”, stated Gene Carlton, president, GC Electrical Solutions.

The 2007 42nd Pacesetter, GC Electrical Solutions, can be found in the April 13th Issue of the Atlanta Business Chronicle.

GC Electrical Solutions, LLC is a full line electrical distributor offering the most current products with the technology and performance needed to complete any industrial project. GC-ES is an authorized distributor of the premiere manufacturers in the electrical industry. For additional information on GC-ES, products and authorized manufacturers, visit www.gc-es.com.
