**ELECTRICAL DISTRIBUTOR RANKED IN THE TOP 25 BY THE ATLANTA  
BUSINESS CHRONICLE AS TOP MINORITY SUPPLIER FOR 2007**

**ATLANTA, GA** – GC Electrical Solutions, LLC (GC-ES) ranked number 25 in the Atlanta Business Chronicle’s Top Minority Business for 2007. GC-ES was recognized in the July issue of Atlanta Business Chronicle.

The Atlanta Business Chronicle recognizes the city’s top minority companies; headquartered in the metro Atlanta every year. These companies are at least 51% owned and operated by either ethnic minorities or women.

“As a long standing certified minority business enterprise, we have been able to leverage minority certification to market ourselves to corporate America. This ranking will show not only our growth, but our capabilities as a strong business that happens to be minority owned and operated.”, stated Gene Carlton, president, GC Electrical Solutions.

GC Electrical Solutions, LLC is a full line electrical distributor offering the most current products with the technology and performance needed to complete any industrial project large or small. GC-ES is an authorized distributor of the premiere manufacturers in the electrical industry. For additional information on GC-ES, products and authorized manufacturers, visit [www.gc-es.com](http://www.gc-es.com).
